

We're looking forward to having you out to our farm for this class!

As a reminder, Bluebird Hill is a working farm with simple infrastructure, so plan appropriately for any and all outdoor conditions. All classes are appropriate for ages 11 and up. Younger children may accompany their parents, but we insist on close supervision at all times. Please don't bring your dog, as we have livestock and guardian animals present. If you are accompanied by a service dog, please reach out to me asap so I can best accommodate you.

Here's how to find us:

9512 Middlebrook Pike, Knoxville, 37931.

If you're traveling west on Middlebrook, you'll need to pull a u-turn in front of Countryside Center Way. If you're traveling east, it will be the next driveway after Countryside Center Way (next to the SIA building.) That's your turn. The mailbox is marked.

It's a long driveway up the hill. Look for a keypad on your left before the red gate. Press any key to open the gate then take an immediate left up the gravel drive. There's signage for SRR classes / Bluebird Hill. Continue up the gravel drive until you see my gray and green workshop on your left. We'll direct you towards parking from there. Call or text if you have difficulty finding us - 865-387-8649

Thanks and see you soon!

Kerry and Angel
